

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is OBLIGATED BY LAW to serve the PUBLIC interest.

Large companies should NOT control the airwaves. If allowed, they will do what it's in their OWN economic interest, not what benefits the whole society.

PLEASE WATCH THIS COMPANY!!!!!!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
